Division Corporate Excellence Award

The American Cancer Society recently presented Malin Bergquist & Company, LLP with a Division Corporate Excellence Award. The firm has been touched by cancer with the loss of three employees to the disease. To honor the memory of these colleagues and other loved ones, the firm selected the Society as their charity of choice for the past two years. Through Relay For Life, the Erie Premier Golf event, employee giving and corporate matching gifts, the firm contributed \$37,000 to the Society in the past year.

Left to right: Patty Brown, Karen Burns, Lori Hetrick, Ann Halupczynski, Kelley Spaeder and Chip Shamburg of the American Cancer Society, and Robin Coburn.

The firm serves as an inspirational example of how a corporation can make a difference in the community through a "hands on" approach to charitable work. ■
