Dear Clients and Friends:

You may already have heard the news, but we want you to know that our partner Mike Bergquist has been diagnosed with a malignant brain tumor. Mike is undergoing tests with leading neuro-specialists in Pittsburgh to determine the precise nature of the growth, and is currently undergoing radiation and chemotherapy treatments.

Mike is a much loved individual, husband and father, as well as a highly respected leader within our firm, community and profession. The entire family of Malin, Bergquist & Company has pledged to do all that we can to assist him during this difficult time. For the time being, our partners are assuming his workload. If you have any questions, please call us at 814-454-4008, and our receptionist will direct you to the appropriate person.

Please keep Mike and his family in your thoughts and prayers. If you would like to send him a card or note, please do so in care of our Erie office.

We are grateful for the tremendous outpouring of concern and offers of assistance that he has received. Your ongoing support and empathy will be important sources of inspiration and courage to him, and to all of us. Thank you.

Sincerely,

The Team at Malin Bergquist
